Network Product(s) Found

The following product(s) have been found on the local network.

Select one of the following product(s) to connect to by clicking on it in the list and selecting "Next" to continue:

Model Name	IP Address	Hardware Address	Hostname
HP Color LaserJet MFP M477fdn	169.254.3.180	F430B96F96AF	NPI6F96AF
HP Color LaserJet MFP M477fnw	10.116.166.144	F430B9768124	NPI768124

If your product is not on the list, make sure your product is powered on and connected to the network, then click 'Search Again.' For more information click 'Help.'

⟳ Search Again

NOTE: If your product has just been turned on, it may take a few minutes for it to initialize before it can be detected on the network.

Help **Cancel** **Back** **Next**

7) Select both the checkboxes and click Finish. The printer should have printed a test page for you.

Install Software

✔ Prepare to install

✔ Connect the Product

✔ Install

✔ Complete

Thank you for choosing HP!
Your software has been successfully installed.

Additional options for this product:
